

Future Events – Patterns Repeat
Prediction for Nancy Pelosi; from <https://kerrytheory.com>

Look into the future. These charts can be performed weeks, months or even years in advance of this time, this is May 25, 2022. Nancy Pelosi has announced she will again be running as Speaker of the House. **Will she win?**

Nancy Pelosi becomes Speaker of the House, November 16, 2006. When she won in 2006, transiting Mercury was 120-degs transiting Uranus. **Mercury “positive” Uranus** creates opportunity, many times out-of-the-blue. It gives originality and cleverness and strong faculties of perception. Transiting Sun same SIGN as transiting Mercury and 120-degs transiting North Node adds a certainty of beneficial results.
