Natal Mercury and Saturn not only share the same SIGN, but very close waiting for direction which comes from transiting Saturn was 120-degrees to natal Mercury.

Influence the candidate portrays; Mercury "positive" Saturn gives a serious, self-reliant, organized individual, where there is a willingness to work, especially on long-term projects.

Coming in 2024, Ron DeSantis still has Jupiter but with more force which expands self-assurance and high levels of an eagerness to succeed. This influence puts one into "high gear" and stimulates a "we can do this" attitude. One's thinking is always positive and a taking charge of one's life is center front. One's eagerness and directness in communication will draw cooperation from others.
